

Hilton Head Island Safe Harbour

Enriching the Lives of Our Neighbors

Executive Director's Message

from David Voyles

As we begin the month of April, most of us focus our attention on the

holiday of Easter and Passover. With Easter comes rebirth and a fresh start. It brings the blossoming of trees and beautiful daffodils and tulips to greet us. And visitors escaping the Northern weather!

My mind drifts back to when my boys were young and we dressed them up in new Easter outfits for church forbidding them not to get them dirty looking for Easter eggs in the yard. I can remember getting up for our church's sunrise service and waiting in the dark with lit candles anxiously waiting for the sun to rise. After having an inspirational church service we would always go to friends house for the traditional Easter lunch. After lunch, there would be the annual Easter egg hunt in the backyard to everyone's delight. It was a great day to be with family and friends. Time sure does fly by and now I miss those days but my son's are grown and now understand the true meaning of Easter. They remember past Easters a lot better than I do. I hope this Easter you will experience new hope and anxiously wait for each sunrise and memories of the past. Happy Easter!

Volunteers from the hearts of the Board,
Staff and Members

To be a Volunteer, it takes.....

Generosity, a willingness to give your
time to others

Understanding, because their lives
might be very different from your own

Empathy, an ability to put yourself in
someone else's shoes and feel what
they must feel

Compassion, to truly care about making
someone else's life better

Patience, because the process doesn't
always go as smoothly as it might

Dedication, to stick with the project and
see it through

You've shown these qualities and so
much more, so **THANK YOU** for all the
